

Additional Voluntary Contribution (AVC) Form

Please complete the following information

Information about you		
Employee full name (surname, first name)		
Employee number		
Date of birth		
National insurance number		
Additional Voluntary Contributions (AVCs) You can make additional pension contributions to the Wincanton plc Pension Scheme if you wish. These are called AVCs. The Company does not make any additional contributions. You may change the amount of your AVCs at any time. All AVCs will automatically be invested in the same fund choice(s) as your normal contributions. Please set out your instruction below by completing one of the two options listed.		
I wish to pay the following fixed amount each pay period as an AVC (enter whole £s or %) I wish to cease making AVCs I confirm that any AVCs, together with any normal contributions I make, do not exceed 100% of my gross taxable earnings in any one tax year and does not take me under national minimum wage. I also confirm that I am aware of the tax implications of the Annual Allowance and Lifetime Allowance. I authorise the deduction of the appropriate level of contributions from my pay. If your normal contributions are made via SMART Pensions, a salary sacrifice arrangement, your AVCs will be treated in the same way.		
If you wish to opt out of SMART Pensions (salary sacrifice), please contact the Benefits team
