Changes to your normal contribution rate

If applicable to your pension scheme, please indicate your chosen contribution rate. This applies to your normal contributions as permitted under the section to which you are a member, and to which the Company also contribute.

Changes to your contribution rate may be made once a year in **November**. Any requests to change your contribution rate must be received by the Benefits team by **25 October**.

I wish to change my normal contribution to	%
I understand that the Company will also contribute	%

All figures relate to your pensionable earnings.

Additional Voluntary Contributions (AVCs)

You can make additional pension contributions to the Wincanton Pension Scheme if you wish. These are called AVCs. The Company does not make any additional contributions. You may change the amount of your AVCs at any time by completing an AVC form.

I confirm that all my pension contributions do not exceed 100% of my gross taxable earnings in any one tax year. I also confirm that I am aware of the tax implications of the Annual Allowance and Lifetime Allowance.

I authorise the deduction of the appropriate level of contributions from my pay.
